Celebrating 45 Years of Expanding Abilities!

Our Mission To expand abilities, one person at a time, so individuals experiencing disabilities can achieve their individual goals.

Forty-five years ago, a small group of Columbia County parents and community members formed COARC to educate and support children who experienced disabilities. Today we serve 500 people, from preschoolers to seniors. COARC is the Columbia County Chapter of NYSARC, Inc., the largest not-for-profit organization serving individuals who have intellectual and other developmental disabilities and their families. We provide personalized programs and services for every individual we serve, including Residential and Living Alternatives, Service Coordination, Advocacy & Legal Services, Day Activity Programs and At-Home & Respite Services. We provide Vocational Services and operate COARC Contract Manufacturing and Columbia Work Link Employment Services. Children attend The Starting Place preschool and day care and Camp Mahican. COARC is a 501(c)(3) nonprofit organization. For more information, contact www.coarc.org, info@coarc.org or 518-672-4451.
